Application No. 09/846,410   09/29/2006

Filing date   02/13/2001

Name   Urbain A. von der Embse

Unit   2634

Examiner   Jason M. Perilla

Response to Office Action 07/10/2006

Amended versions of claims **5-9** have been rewritten to correct my mistakes in the claims filed on 01 June 2006 and to add text that describes methods for implementation by the encoder in the transmitter and by the decoder in the receiver for applications to CDMA communications voice and data links.

ENCLOSURES

- PTO/SB/21 Transmittal form
- A copy of the Office Action mailed to me on 07/10/2006
- Currently amended claims **5-9**
- Clean version of how the claims will read

REMARKS

1. DETAILED ACTION

Amended claims **5-9** are intended to correct my mistakes, to provide applications, and to provide sufficient steps for someone versed in CDMA communications to implement these claims in the transmitter encoder and receiver decoder of a CDMA communications link.

2. Claim Objections

I have made the required "antecedent basis" corrections to claims **5-6**.
